Telecoms Solutions... Dedicated to Business

Become a Capital Telecom Dealer

Have you ever wanted to offer your customers enterprise-grade telecoms services, but not known where to turn? The solution is at hand: Capital Telecom is looking to recruit dealers, entering into mutually beneficial partnerships to increase our market penetration.

Great products, your brand or ours

Fixed Line - Mobiles - Telephone Systems - Broadband

As a dealer you will be able to resell all of our telecoms products, either by co-branding with your own image, or with Capital Telecom's brand. You will be fully supported by our team of Business Development Managers dedicated to help you maximise your earning potential for every contract won.

Capital Telecom welcomes dealers of all shapes and sizes

Timely payment of commission is guaranteed, and successful dealers will soon find that reselling our products and services generates a valuable revenue stream.

Getting started is easy

To become a dealer please complete our online [dealer registration form](#). We will contact you shortly afterwards, giving you access to our dedicated dealer resources.
